Date: 20 July 2022

Dear Mrs Linton

Re: Ilam CE(VA) Primary School

I have recently received a copy of your school's latest Ofsted Inspection Report.

I would like to congratulate you and your staff personally for all that you do for the pupils at Ilam CE(VA) Primary School and for the wider local community on a daily basis.

The "Good" rating is a well-earned reflection of the hard work and dedication of your leadership team and staff and will serve as a firm foundation for ongoing improvement. It also reflects your continued focus and commitment to the quality of education pupils receive through what has been one of the most challenging times ever faced by schools.

I know that you will strive to reach your next goal and I wish you every success on that journey.

Yours sincerely

Jonathan Price
Cabinet Member for Education (and SEND)
Councillor for Stafford North
