Spirituality

- Pupils are able to experience wonder and joy through learning about stories, celebrations, rituals and different expressions of religion and worldviews
- Encourage pupils to ask and respond to questions of meaning and purpose
- Consider questions about God
- Evaluate claims by exploring spiritual practices e.g. prayer and worship. Consider the impact of these on believers as well as our own lives
- Explore and discuss morality, including rules, rights/ wrongs, religious teachings and commands (e.g. the ten commandments, the Golden Rule)
- Think about the importance of service to others in religions such as Sikhism, Hinduism and Buddhism. Explore religious perspectives on evil and suffering in the world
- Ask questions about the purpose and meaning of reconciliation and salvation (e.g. the salvation story)
- Explore qualities valued by society such as respect, thoughtfulness, compassion, honesty, respect for difference, independence and interdependence. Link with our school values and the ways in which we display these values and see them in others
- Compare different cultures and religions – what are the similarities and differences?
- Engage with a variety of sources from different cultures and religious backgrounds
